SELECTED TO PLAY IN THE INTERNATIONAL PEE-WEE CHAMPIONSHIP

DEAR POTENTIAL SPONSORS

I am very happy and proud to announce that I have been selected to play for the LSA (Leysin Sport Academy) Ice Hockey team that will be playing in the international Pee-Wee Championship, representing Switzerland. The tournament takes place in Quebec, Canada, from 8 to 20 February 2018.

ABOUT ME

At five years old I started playing ice hockey, first with the HC Gotteron ice hockey school, then the Bambinis, the Piccolos, and now in my third season with the Moskitos Top Elite in MJ Gottéron. I train four to five times a week, and I have one to two matches on the weekend. I also play in the Cantonal selection U13.

When I got the news that I made the team to go to Canada, one of my dreams came true. The thought of playing in front of 10'000 spectators already makes me a bit nervous, but it motivates me to go and play the best I can.

In order for me to finance a part of my Hockey-Canada trip, I am looking for sport minded businesses and personal sponsors who would like to contribute to this great adventure.

A Facebook page is being created and there will be daily posts and updates with pictures etc. I will be delighted to send you the link if you would be interested in following my Canadian adventure.

Thank you very much
for your interest and your support
